# Ketan Gehlot

## Profile

A passionate and detail-oriented Frontend Developer with a strong foundation in HTML, CSS, JavaScript, and modern frameworks like React. Adept at creating responsive, user-friendly web interfaces with a keen eye for design and performance. Also equipped with solid knowledge in ethical hacking and cybersecurity principles, ensuring secure and optimized frontend solutions. Always eager to learn new technologies and contribute to impactful, secure digital experiences. I'm eager to apply these skills in a real-world environment during an internship. Currently pursuing BCA (3rd Year) from Amity University, Mumbai.

## Education
